**Kings Point Quilters make donation to LifePath Hospice  
Funds will go to support Sun City Center Hospice House**

**TAMPA** – LifePath Hospice, one of the nation’s largest not-for-profit hospice organizations, recently received a \$1,325 donation from the Kings Point Quilters. The funds will go to support the services provided at the LifePath Hospice Sun City Center Hospice House in Ruskin. The donation was made at a presentation at the Hospice House on March 6.

The Kings Point Quilters raised funds by offering chances to win an “Opportunity Quilt,” handcrafted by members. This is the second time that a quilters’ fundraiser has benefited LifePath Hospice “We are very grateful for the ongoing support we have received from the Kings Point Quilters,” said John Wilbur, LifePath Hospice major gifts officer. “Their donation will help LifePath Hospice care for the 1,600 patients we serve each day in Hillsborough County.”

The Kings Point Quilters support many local charities and facilities with donations of funds or handmade creations, such as quilts and therapy aprons. The group is comprised of quilting hobbyists who reside in the Community of Kings Point in Sun City Center.

LifePath Hospice embraces its mission to make the most of life by relieving the suffering of patients and their families affected by life-limiting illnesses or end-of-life issues.
